

**EXPEDITIONARY COMBAT SUPPORT SYSTEM (ECSS)**

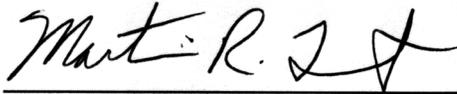

**NOTIFICATION OF CHANGE IN**

**PROGRAM DIRECTION**

**FOR**

**PRODUCT ACQUISITION**

The Air Force has decided to pursue a single, Air Force preferred Enterprise Resource Planning (ERP) software solution. Standard Systems Group (SSG) at Gunter, AFB, AL, is conducting this preferred ERP acquisition. Consequently, the ECSS Program does not intend to acquire an ERP software product at this time.
