

# Contracting

Ms Marie Smith

Materiel Systems Group  
ECSS Contracting Officer

# Participation

---

- Two-Way information interchange between the Government & Industry imperative
- Active participation required - *Benefits all parties*
  - Understanding of emerging Government requirements
  - Feedback on feasibility and approach

# Conflict Of Interest

---

- Potential Conflict of Interest exists for Advisory and Assistance Services (A&AS) Support Contractors
- If your company provides any Program Office support to the overall ERP/APS acquisition or requirements, you may be ineligible for any ERP/APS work for a reasonable period of time during the ERP/APS contract period of performance; either as a prime contractor or subcontractor

# Questions & Answers

---

- Please pass questions on index cards to end of aisles
- Use microphone if you desire to ask questions verbally
- All questions & answers will be posted on HERBB

# Roundtable Discussions

---

- Opportunity to speak one-on-one with Government will begin promptly at 1:00
- 4 tables are established
- All tables equally staffed with program, functional, and contracting personnel
- Each Contractor or Team may sign up for one 15 minute session (one table only)
- Sign up sheets located on each table
- Please have questions pre-written on provided index cards
